Chewgels™ is our new technology

in chewable soft capsules, **that offers not only taste and flavor,**
but a convenient and an easy-to-swallow dosage form. **With a variety
of shell textures and flavored fills,** Chewgels™ offers great tasting
formulations for a wide range of therapeutic lines for the **global
consumer nutritional supplement industry.**

With our deep knowledge in gelatin formulations, softgel development and manufacturing expertise, **Chewgels™ technology is the ideal platform to deliver ingredients in a convenient way**, helping our customers expand their brands and grow in their current markets.

CHEWGELS™ ADVANTAGES:

-  **Easily ruptured**, simply swallowed and rapidly dissolved, leaving a good mouth feel.
-  **Wide range of fill and shell formulations**, flavors and sweeteners.
-  **Shell solubility** and stability assurance.
-  **Portable exact dose form**: within our chewable burstlets the fill content may contain solutions, suspensions, pastes and emulsions.
-  **Non-sticky softgel** due to its drying process.
-  **Ability to select the right gelatin** and appropriate excipients to hold the ingredients and the flavoring.
-  **Lipid coating** of the API for special taste masking applications.

CHEWGELS™ CONSUMER BENEFITS:

-  **No water needed**: taken easily on the run without water or food.
-  **Easy to swallow**: suitable for children or senior adults who often reject traditional dosage forms.
-  **Fast Effect**: immediate release and absorption in the mouth and stomach.
-  **Great Taste**: our Chewgels™ technology delivers ingredients that consumers love and ensures an ongoing consumption.

CHEWGELS™ IS ALSO AN IDEAL SOLUTION FOR DIFFERENT CATEGORIES, INCLUDING:
