PRODUCT PORTFOLIO

WHY SOFTIGEL?

Softigel® by Procaps is a leading provider of Contract Development and Manufacturing services in softgel advanced technologies for the global pharmaceutical and nutraceutical industry.

Through our extensive capabilities and deep expertise in product development and softgel manufacturing, we help different companies bring innovative products to their markets faster, offering their patients and consumers an exceptional experience, high preference and superior adherence to different therapies.

Our advanced delivery technologies, including Softgel and related technologies, our proven formulation, manufacturing and regulatory expertise, has enabled us to become an integrated CDMO (iCDMO), giving customers full-service, turnkey solutions in prescription drugs, OTC and dietary supplements across both development and delivery.
